III. Representations and Warranties.

A. Representations Regarding Transaction. Except as set forth under the corresponding section of the Disclosure Schedules, if any, Company hereby represents and warrants to, and as applicable covenants with, Investor as of the Closing:

1. Organization and Qualification. Company and each Subsidiary is an entity duly incorporated or otherwise organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization, as applicable, with the requisite power and authority to own and use its properties and assets and to carry on its business as currently conducted, except where the failure to do so would not reasonably be expected to result in a Material Adverse Effect. Neither Company nor any Subsidiary is in violation or default of any of the provisions of its respective certificate or articles of incorporation, bylaws or other organizational or charter documents, except as would not reasonably be expected to result in a Material Adverse Effect. Each of Company and each Subsidiary is duly qualified to conduct business and is in good standing as a foreign corporation or other entity in each jurisdiction in which the nature of the business conducted or property owned by it makes such qualification necessary, except where the failure to be so qualified or in good standing, as the case may be, would not reasonably be expected to result in a Material Adverse Effect and no proceeding has been instituted in any such jurisdiction revoking, limiting or curtailing or seeking to revoke, limit or curtail such power and authority or qualification.

2. Authorization; Enforcement. Company has the requisite corporate power and authority to enter into and to consummate the transactions contemplated by each of the Transaction Documents and otherwise to carry out its obligations hereunder or thereunder. The execution and delivery of each of the Transaction Documents by Company and the consummation by it of the transactions contemplated hereby or thereby have been duly authorized by all necessary action on the part of Company and no further consent or action is required by Company. Each of the Transaction Documents has been, or upon delivery will be, duly executed by Company and, when delivered in accordance with the terms hereof, will constitute the valid and binding obligation of Company, enforceable against Company in accordance with its terms, except (a) as limited by general equitable principles and applicable bankruptcy, insolvency, reorganization, moratorium and other laws of general application affecting enforcement of creditors' rights generally, (b) as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies and (c) insofar as indemnification and contribution provisions may be limited by applicable law.

3. No Conflicts. The execution, delivery and performance of the Transaction Documents by Company, the issuance and sale of the Shares and the consummation by Company of the other transactions contemplated thereby do not and will not (a) conflict with or violate any provision of Company's or any Subsidiary's certificate or articles of incorporation, bylaws or other organizational or charter documents, (b) conflict with, or constitute a default (or an event that with notice or lapse of time or both would become a default) under, result in the creation of any Lien upon any of the properties or assets of Company or any Subsidiary, or give to others any rights of termination, amendment, acceleration or cancellation (with or without notice, lapse of time or both) of, any material agreement, credit facility, debt or other instrument (evidencing Company or Subsidiary debt or otherwise) or other understanding to which Company or any Subsidiary is a

party or by which any property or asset of Company or any Subsidiary is bound or affected, (c) conflict with or result in a violation of any material law, rule, regulation, order, judgment, injunction, decree or other restriction of any court or governmental authority to which Company or a Subsidiary is subject (including U.S. federal and state securities laws and regulations), or by which any material property or asset of Company or a Subsidiary is bound or affected, or (d) conflict with or violate the terms of any material agreement by which Company or any Subsidiary is bound or to which any property or asset of Company or any Subsidiary is bound or affected; except in the case of each of clauses (b), (c) and (d), such as would not reasonably be expected to result in a Material Adverse Effect.

4. **Litigation.** There is no action, suit, inquiry, notice of violation, proceeding or investigation pending or, to the knowledge of Company, threatened against or affecting Company, any Subsidiary or any of their respective properties before or by any court, arbitrator, governmental or administrative agency or regulatory authority (federal, state, county, local or foreign) (collectively, an “**Action**”), which would reasonably be expected to adversely affect or challenge the legality, validity or enforceability of any of the Transaction Documents or the issuance of any Shares hereunder. The Commission has not issued any stop order or other order suspending the effectiveness of any registration statement filed by Company or any Subsidiary under the Exchange Act or the Act.

5. **Filings, Consents and Approvals.** Neither Company nor any Subsidiary is required to obtain any consent, waiver, authorization or order of, give any notice to, or make any filing or registration with, any court or other federal, state, local or other governmental authority or other Person in connection with the execution, delivery and performance by Company of the Transaction Documents, other than required federal and state securities filings and such filings and approvals as are required to be made or obtained under the applicable Trading Market rules in connection with the transactions contemplated hereby, each of which has been, or if not yet required to be filed will be, timely filed.

6. **Issuance of Shares.** The Shares are duly authorized and, when issued and paid for in accordance with the applicable Transaction Documents, will be duly and validly issued, fully paid and nonassessable, free and clear of all Liens. Company has reserved and will continue to reserve from its duly authorized capital stock sufficient shares of its Common Stock for issuance pursuant to the Transaction Documents.

7. **Disclosure; Non-Public Information.** Company will file a current report on Form 8-K within four Trading Days of the Effective Date describing the material terms and conditions of this Agreement. Notwithstanding any other provision, except with respect to information that must be, and only to the extent that it actually is, timely publicly disclosed by Company pursuant to the foregoing sentence, neither Company nor any other Person acting on its behalf has provided Investor or its representatives, agents or attorneys with any information that constitutes or might constitute material, non-public information, including without limitation this Agreement and the Exhibits and Disclosure Schedules hereto. No information contained in the Disclosure Schedules constitutes material non-public information. There is no adverse material information regarding Company that has not been publicly disclosed prior to the Effective Date. Company understands and confirms that Investor will rely on the foregoing representations and covenants in effecting transactions in securities of Company. All disclosure provided to Investor

regarding Company, its business and the transactions contemplated hereby, including without limitation the Disclosure Schedules, furnished by or on behalf of Company with respect to the representations and warranties made herein are true and correct in all material respects and do not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading.

8. No Integrated Offering. Neither Company, nor any of its Affiliates, nor any Person acting on its or their behalf has, directly or indirectly, made any offers or sales of any security or solicited any offers to buy any security, under circumstances that would cause this offering to be integrated with prior offerings by Company that cause a violation of the Act or any applicable stockholder approval provisions, including, without limitation, under the rules and regulations of the Trading Market.

9. Financial Condition. The Public Reports set forth as of the dates thereof all outstanding secured and unsecured Indebtedness of Company or any Subsidiary, or for which Company or any Subsidiary has commitments, and any material default with respect to any Indebtedness. Company does not intend to incur debts beyond its ability to pay such debts as they mature, taking into account the timing and amounts of cash to be payable on or in respect of its debt.

10. Section 5 Compliance. No representation or warranty or other statement made by Company in the Transaction Documents contains any untrue statement or omits to state a material fact necessary to make any of them, in light of the circumstances in which it was made, not misleading. Company is not aware of any facts or circumstances that would cause the transactions contemplated by the Transaction Documents, when consummated, to violate Section 5 of the Act or other federal or state securities laws or regulations.

11. Investment Company. Company is not, and is not an Affiliate of, and immediately after receipt of payment for the Preferred Shares, will not be or be an Affiliate of, an “investment company” within the meaning of the Investment Company Act of 1940, as amended. Company will conduct its business in a manner so that it will not become subject to the Investment Company Act.

12. Acknowledgments Regarding Investor. Company’s decision to enter into this Agreement has been based solely on the independent evaluation of Company and its representatives, and Company acknowledges and agrees that:

a. Investor is not, has never been, and as a result of the transactions contemplated by the Transaction Documents will not become an officer, director, insider, control person, to Company’s knowledge 10% or greater shareholder, or otherwise an affiliate of Company as defined under Rule 12b-2 of the Exchange Act;

b. Investor does not make or has not made any representations, warranties or agreements with respect to the Shares, this Agreement, or the transactions contemplated hereby other than those specifically set forth in **Section III.C** below;

c. The conversion of Preferred Shares and resale of Conversion Shares will result in dilution, which may be substantial; the number of Conversion Shares will increase in certain circumstances; and Company's obligation to issue and deliver Conversion Shares in accordance with this Agreement and the Certificate of Designations is absolute and unconditional regardless of the dilutive effect that such issuances may have; and

d. Investor is acting solely in the capacity of arm's length purchaser with respect to this Agreement and the transactions contemplated hereby; neither Investor nor any of its Affiliates, agents or representatives has or is acting as a legal, financial, investment, accounting, tax or other advisor to Company, or fiduciary of Company, or in any similar capacity; neither Investor nor any of its Affiliates, agents or representatives has provided any legal, financial, investment, accounting, tax or other advice to Company; any statement made in connection with this Agreement or the transactions contemplated hereby is not advice or a recommendation, and is merely incidental to Investor's purchase of the Shares.

13. No Bad Actor Disqualification. Neither Company, any predecessor of Company, any affiliate of Company, any director, executive officer, other officer of Company participating in the offering, or any beneficial owner of 20% or more of Company's outstanding voting equity securities is subject to any bad actor disqualification as provided in Rule 506(d) of Regulation D.

14. Offshore Transaction. Company has not, and will not, engage in any directed selling efforts, as defined in Regulation S, in the United States in respect of any of the Preferred Shares. Company is offering and selling the Preferred Shares only in offshore transactions, in accordance with Regulation S. Company and its Affiliates have complied, and will comply, with the offering restrictions requirements of Regulation S. Company has only offered, and will only offer, the Preferred Shares to Investor.

B. Representations Regarding Company. Except as set forth in any Public Reports and attached exhibits as of the Effective Date, or under the corresponding section of the Disclosure Schedules, if any, Company hereby represents and warrants to, and as applicable covenants with, Investor as of the Closing:

1. Capitalization. The capitalization of the Company as of the Effective Date is as described in the Public Reports. No Person has any right of first refusal, preemptive right, right of participation, or any similar right to participate in the transactions contemplated by the Transaction Documents which has not been waived or satisfied. Except as a result of the purchase and sale of the Shares, there are no outstanding options, warrants, script rights to subscribe to, calls or commitments of any character whatsoever relating to, or securities, rights or obligations convertible into or exchangeable for, or giving any Person any right to subscribe for or acquire, any shares of Common Stock, or contracts, commitments, understandings or arrangements by which Company or any Subsidiary is or may become bound to issue additional shares of Common Stock or securities convertible into or exercisable for shares of Common Stock. The issuance and sale of the Shares will not obligate Company to issue shares of Common Stock or other securities to any Person, other than Investor, and will not result in a right of any holder of Company securities to adjust the exercise, conversion, exchange, or reset price under such securities. All of the outstanding shares of capital stock of Company are validly issued, fully paid and nonassessable,

have been issued in material compliance with all federal and state securities laws, and none of such outstanding shares was issued in violation of any preemptive rights or similar rights to subscribe for or purchase securities. No further approval or authorization of any stockholder, the Board of Directors of Company or others is required for the issuance and sale of the Shares. 3. Public Reports; Financial Statements. Company has filed all required Public Reports for the one year preceding the Effective Date. As of their respective dates or as subsequently amended, the Public Reports complied in all material respects with the requirements of the Act and the Exchange Act and the rules and regulations of the Commission promulgated thereunder, as applicable, and none of the Public Reports, when filed, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. The financial statements of Company included in the Public Reports, as amended, comply in all material respects with applicable accounting requirements and the rules and regulations of the Commission with respect thereto as in effect at the time of filing. Such financial statements have been prepared in accordance with GAAP, except as may be otherwise specified in such financial statements or the notes thereto and except that unaudited financial statements may not contain all footnotes required by GAAP, and fairly present in all material respects the financial position of Company and its consolidated subsidiaries as of and for the dates thereof and the results of operations and cash flows for the periods then ended, subject, in the case of unaudited statements, to normal, immaterial, year-end audit adjustments.

4. Material Changes. Company does not have pending before the Commission any request for confidential treatment of information.

5. **Litigation.** There is no Action pending or, to the knowledge of the Company, threatened, which would reasonably be expected to result in a Material Adverse Effect. Neither Company nor any Subsidiary, nor to the knowledge of Company any director or officer thereof, is or has been the subject of any Action involving a claim of violation of or liability under federal or state securities laws or a claim of breach of fiduciary duty. There has not been, and to the knowledge of Company, there is not pending or contemplated, any investigation by the Commission involving Company or any current or former director or officer of Company.

6. **No Bankruptcy.** There has not been any petition or application filed, or any judicial or administrative proceeding commenced which has not been discharged, by or against the Company or any Subsidiary or with respect to any of the properties or assets of Company or any Subsidiary under any applicable law relating to bankruptcy, insolvency, reorganization, fraudulent transfer, compromise, arrangement of debt, creditors' rights and no assignment has been made by the Company or any Subsidiary for the benefit of creditors.

7. **Labor Relations.** No material labor dispute exists or, to the knowledge of Company, is imminent with respect to any of the employees of Company, which would reasonably be expected to result in a Material Adverse Effect.

9. **Regulatory Permits.** Company and each Subsidiary possess all certificates, authorizations and permits issued by the appropriate federal, state, local or foreign regulatory authorities necessary to conduct their respective businesses as described in the Public Reports, except where the failure to possess such permits would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect ("**Material Permits**"), and neither Company nor any Subsidiary has received any notice of proceedings relating to the revocation or modification of any Material Permit.

To Company’s knowledge, such insurance contracts and policies are accurate and complete in all material respects. Neither Company nor any Subsidiary has any reason to believe that it will not be able to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers as may be necessary to continue its business without an increase in cost that would constitute a Material Adverse Effect.

13. Transactions with Affiliates and Employees. None of the officers or directors of Company and, to the knowledge of Company, none of the employees of Company is presently a party to any transaction with Company or any Subsidiary (other than for services as employees, officers and directors), including any contract, agreement or other arrangement providing for the furnishing of services to or by, providing for rental of real or personal property to or from, or otherwise requiring payments to or from any officer, director or such employee or, to the knowledge of Company, any entity in which any officer, director, or any such employee has a substantial interest or is an officer, director, trustee or partner, in each case in excess of \$120,000 other than (i) for payment of salary or consulting fees for services rendered, (ii) reimbursement for expenses incurred on behalf of Company and (iii) for other employee benefits, including stock option agreements under any equity incentive plan of Company.

Company will not sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any security, as defined in Section 2 of the Act, that would be integrated with the offer or sale of the Shares to Investor for purposes of the rules and regulations of any Trading Market such that it would require stockholder approval prior to the closing of such other transaction unless stockholder approval is obtained before the closing of such subsequent transaction.

D. Disclosure and Publicity. Company will notify Investor prior to issuing any current report, press release, public statement or communication with respect to the transactions contemplated hereby.

E. Shareholders Rights Plan. No claim will be made or enforced by Company or, to the knowledge of Company, any other Person that Investor is an “Acquiring Person” under any shareholders rights plan or similar plan or arrangement in effect or hereafter adopted by Company, or that Investor could be deemed to trigger the provisions of any such plan or arrangement, in either such case, by virtue of receiving Shares under the Transaction Documents or under any other agreement between Company and Investor. Company will conduct its business in a manner so that it will not become subject to the Investment Company Act of 1940, as amended.

F. No Non-Public Information. Company covenants and agrees that neither it nor any other Person acting on its behalf will, provide Investor or its agents or counsel with any information that Company believes or reasonably should believe will constitute material non-public information after Closing. On and after Closing, neither Investor nor any Affiliate of Investor will have any duty of trust or confidence that is owed directly, indirectly, or derivatively, to Company or the stockholders of Company, or to any other Person who is the source of material non-public information regarding Company. Company understands and confirms that Investor will be relying on the foregoing in effecting transactions in securities of Company, including without limitation sales of the Shares.

G. Indemnification of Investor.

1. Obligation to Indemnify. Subject to the provisions of this **Section IV.G**, Company will indemnify and hold Investor, its Affiliates, managers and advisors, and each of their officers, directors, shareholders, partners, employees, representatives, agents and attorneys, and any person who controls Investor within the meaning of Section 15 of the Act or Section 20 of the Exchange Act (collectively, “**Investor Parties**” and each a “**Investor Party**”), harmless from any and all losses, liabilities, obligations, claims, contingencies, damages, reasonable costs and expenses, including all judgments, amounts paid in settlements, court costs and reasonable attorneys’ fees and costs of investigation (collectively, “**Losses**”) that any Investor Party may suffer or incur as a result of or relating to (a) any breach of any of the representations, warranties, covenants or agreements made by Company in this Agreement or in the other Transaction Documents, (b) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, Prospectus, Prospectus Supplement, or any information incorporated by reference therein, or arising out of or based upon any omission or alleged omission to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, or (c) any action by a creditor or stockholder of Company who is not an Affiliate of an Investor Party, challenging the transactions contemplated by the Transaction Documents; provided, however, that Company will not be obligated to indemnify any Investor Party for any Losses finally adjudicated to be caused solely by (i) a false statement of material fact contained within written information provided by such Investor Party expressly for the purpose of including it in the applicable Registration Statement, Prospectus,

Prospectus Supplement, or (ii) such Investor Party's unexcused material breach of an express provision of this Agreement or another Transaction Document.

2. Procedure for Indemnification. If any action will be brought against an Investor Party in respect of which indemnity may be sought pursuant to this Agreement, such Investor Party will promptly notify Company in writing, and Company will have the right to assume the defense thereof with counsel of its own choosing. Investor Parties will have the right to employ separate counsel in any such action and participate in the defense thereof, but the reasonable fees and expenses of such counsel will be at the expense of Investor Parties except to the extent that (a) the employment thereof has been specifically authorized by Company in writing, (b) Company has failed after a reasonable period of time to assume such defense and to employ counsel or (c) in such action there is, in the reasonable opinion of such separate counsel, a material conflict with respect to the dispute in question on any material issue between the position of Company and the position of Investor Parties such that it would be inappropriate for one counsel to represent Company and Investor Parties. Company will not be liable to Investor Parties under this Agreement (i) for any settlement by an Investor Party effected without Company's prior written consent, which will not be unreasonably withheld or delayed; or (ii) to the extent, but only to the extent that a loss, claim, damage or liability is either attributable to Investor's breach of any of the representations, warranties, covenants or agreements made by Investor in this Agreement or in the other Transaction Documents. In no event will the Company be liable for the reasonable fees and expenses for more than one separate firm of attorneys (plus one local counsel per jurisdiction as applicable) to represent all Investor Parties.

3. Other than the liability of Investor to Company for uncured material breach of the express provisions of this Agreement, no Investor Party will have any liability to Company or any Person asserting claims on behalf of or in right of Company as a result of acquiring the Shares under this Agreement.

H. Reservation of Shares. Company will at all times maintain a reserve from its duly authorized Common Stock for issuance pursuant to the Transaction Documents authorized shares of Common Stock in an amount equal to thrice the number of shares sufficient to immediately issue all Conversion Shares potentially issuable at such time.

I. Activity Restrictions. For so long as Investor or any of its Affiliates holds any Shares, neither Investor nor any Affiliate will: (1) vote any shares of Common Stock owned or controlled by it, sign or solicit any proxies, or seek to advise or influence any Person with respect to any voting securities of Company; (2) engage or participate in any actions, plans or proposals which relate to or would result in (a) acquiring additional securities of Company, alone or together with any other Person, which would result in beneficially owning or controlling more than 9.99% of the total outstanding Common Stock or other voting securities of Company, (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving Company or any of its Subsidiaries, (c) a sale or transfer of a material amount of assets of Company or any of its Subsidiaries, (d) any change in the present board of directors or management of Company, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board, (e) any material change in the present capitalization or dividend policy of Company, (f) any other material change in Company's business or corporate structure, including but not limited to, if Company is a registered closed-end investment company, any plans or

proposals to make any changes in its investment policy for which a vote is required by Section 13 of the Investment Company Act of 1940, (g) changes in Company's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of Company by any Person, (h) a class of securities of Company being delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association, (i) a class of equity securities of Company becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act, or (j) any action, intention, plan or arrangement similar to any of those enumerated above; or (3) request Company or its directors, officers, employees, agents or representatives to amend or waive any provision of this section.

J. No Shorting. Provided no Trigger Event under **Sections I.H.(1), (7), (8), (9), (10), (11), or (15)** of the Certificate of Designations has occurred, for so long as Investor holds any Shares, neither Investor nor any of its Affiliates will engage in or effect, directly or indirectly, any Short Sale of Common Stock. For the avoidance of doubt, selling against delivery of Conversion Shares after delivery of a Conversion Notice is not a Short Sale. There will be no restriction or limitation of any kind on Investor's right or ability to sell or transfer any or all of the Conversion Shares at any time, in its sole and absolute discretion. Investor may not sell, transfer or assign any Preferred Shares.

K. Stock Splits. If Company at any time on or after the Effective Date subdivides (by any stock split, stock dividend, recapitalization or otherwise) or combines (by combination, reverse stock split or otherwise) one or more classes of its outstanding shares of Common Stock into a greater or lesser number of shares, the share numbers, prices and other amounts set forth in this Agreement, as in effect immediately prior to such subdivision or combination, will be proportionately reduced or increased, as applicable, effective at the close of business on the date the subdivision or combination becomes effective.

L. Subsequent Financings. As long as Investor holds any Preferred Shares, Company will not enter into any agreement that in any way restricts its ability to enter into any agreement, amendment or waiver with Investor, including without limitation any agreement to offer, sell or issue to Investor any preferred stock, common stock or other securities of Company. Until 90 days after the Registration Statement is declared effective, Company will not enter into any equity or convertible financing (i) at a discount, (ii) at a variable price or with any economic term subject to any type of variability or reset, or (iii) that uses a shelf registration or contains registration rights, other than: (a) with Investor, (b) fixed price Common Stock in connection with a strategic acquisition, (c) an underwritten public offering of fixed price Common Stock, or (d) non-convertible debt with no equity component.

M. Principal Market Regulation. Company will timely submit any necessary notification and supporting documentation required for the Listing of Additional Shares (LAS) with Nasdaq for the Conversion Shares. Company will not issue any Conversion Shares if the issuance of shares of Common Stock would exceed the aggregate number of shares of Common Stock the Company may issue upon conversion of Preferred Shares without breaching Company's obligations under Nasdaq Listing Rule 5635(d), except that such limitation will not apply (1) following shareholder approval or waiver from Nasdaq, or (2) if Investor or Company obtains a written opinion from counsel that such approval or waiver is not required.

O. Restrictive Legend. The Shares have not been registered under the Act and may not be resold in the United States unless registered or an exemption from registration is available. Company is required to refuse to register any transfer of the Shares not made pursuant to registration under the Act or an available exemption from registration. Upon the issuance thereof, and only until such time as the same is no longer required under the applicable securities laws and regulations, the certificates representing any of the Shares will bear a legend in substantially the following form:

THE SECURITIES REPRESENTED HEREBY HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT, OR ANY U.S. STATE SECURITIES LAWS, AND, UNLESS SO REGISTERED, MAY NOT BE OFFERED OR SOLD, DIRECTLY OR INDIRECTLY, IN THE UNITED STATES OR TO U.S. PERSONS EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE ACT OR AN AVAILABLE EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE ACT. IN ADDITION, HEDGING TRANSACTIONS INVOLVING THE SECURITIES MAY NOT BE CONDUCTED UNLESS IN COMPLIANCE WITH THE ACT.

Share certificates will be issued without such legend or at Investor's option issue electronic delivery at the applicable balance account at DTC, if either (i) the Shares are registered for resale under the Act and the Registration Statement is effective at the time of sale, or (ii) Investor provides an opinion of its counsel to the effect that the Shares may be issued without restrictive legend.

V. Registration Statement.

A. Filing.

1. Company will at its sole cost and expense prepare and file with the Commission as promptly as practicable after the Effective Date, and in any event within 21 days of Closing, a Registration Statement on Form S-3 ("**Registration Statement**") registering the delayed and continuous resale of all Conversion Shares pursuant to Rule 415 under the Act, and will cause such Registration Statement to be declared effective under the Act as promptly as practicable, and in any event within 45 days of Closing, and use reasonable best efforts to cause it to remain continuously effective until all Conversion Shares may be resold by Investor pursuant to Rule 144 without volume restrictions, manner-of-sale restrictions, or Company being in compliance with any current public information requirement (the "**Registration Period**").

2. If for any reason the Registration Statement is not declared effective within 45 days of Closing, then, in addition to all other remedies available to Investor, as liquidated damages and not as a penalty, Company will issue and deliver to Investor 1 additional Preferred Share per day, each day thereafter until the Registration Statement is declared effective, and if not effective within 60 days of Closing, 2 Preferred Shares per day until the Registration Statement is declared effective. The parties intend that the foregoing will serve to reasonably compensate Investor for any delay in registration, and not as punishment for any breach by Company. Company acknowledges that the actual damages likely to result from delay in registration are difficult to estimate on the Effective Date and would be difficult for Investor to prove.

3. If at any time after the initial registration Statement is filed on Form S-3, the Registration Statement may not remain effective on Form S-3, Company shall use reasonable best efforts to amend the Registration Statement on Form S-1.

B. Procedures. In connection with the Registration Statement, Company will, as soon as reasonably practicable:

1. Prepare and file with the Commission such pre-effective and post-effective amendments and supplements to the Registration Statement and the Prospectus used in connection with the Registration Statement, and file such reports under the Exchange Act, as may be necessary to cause the Registration Statement to become effective, to keep the Registration Statement continuously effective during the Registration Period and not misleading, and as may otherwise be required or applicable under, and to comply with the provisions of, the Act with respect to the disposition of all Conversion Shares covered by the Registration Statement during the Registration Period.

2. Furnish to Investor such number of copies of the Prospectus, and each amendment or supplement thereto, in conformity with the requirements of the Act, and such other documents as Investor may reasonably request in order to facilitate the disposition of Conversion Shares owned by it.

3. Notify Investor: (a) when a Prospectus or any Prospectus supplement or post-effective amendment is proposed to be filed and, with respect to any post-effective amendment, when the same has become effective, except for any filing to be made solely to incorporate by reference a Current Report on Form 8-K, Quarterly Report on Form 10-Q or Annual Report on Form 10-K to be filed with the Commission; (b) of any request by the Commission or any other federal or state governmental authority for amendments or supplements to a Registration Statement or a Prospectus or for additional information; (c) of the issuance by the Commission of any stop order suspending the effectiveness of a Registration Statement or the initiation of any proceedings for that purpose; (d) of the receipt by the Company of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Conversion Shares for sale in any jurisdiction, or the initiation or threatening of any proceeding for such purpose, and (e) of the occurrence of any event or circumstance that makes any statement made in the Registration Statement or Prospectus or any document incorporated or deemed to be incorporated therein by reference untrue in any material respect or that requires the making of any changes in the Registration Statement, Prospectus or documents so that, in the case of a Registration Statement or the Prospectus, as the case may be, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; provided, however, in no event shall any such notice contain any information which would constitute material, non-public information regarding the Company.

4. Use reasonable best efforts to avoid the issuance of, or, if issued, obtain the withdrawal of, any order suspending the effectiveness of the Registration Statement, or the lifting of any suspension of the qualification, or exemption from qualification, of any of the Conversion Shares for sale in any jurisdiction, at the earliest practicable moment.

5. Incorporate in a Prospectus supplement or post-effective amendment such information as Investor requests be included therein regarding Investor or the plan of distribution of the Conversion Shares; and make all required filings of the Prospectus supplement or such post-effective amendment as soon as practicable after the Company has received notification of such matters to be incorporated in such Prospectus supplement or post-effective amendment; provided, however, that the Company shall not be required to take any action pursuant to this paragraph that would violate applicable law.

6. Whenever necessary, prepare and deliver to Investor any required supplement or amendment, including a post-effective amendment, to the Registration Statement or a supplement to the Prospectus or any document incorporated or deemed to be incorporated therein by reference, and file any other required document, including such reports as may be required to be filed under the Exchange Act, so that, as thereafter delivered, the Prospectus will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

7. Use reasonable best efforts to cause all Conversion Shares to be listed on the Trading Market or such other securities exchange or automated quotation system, if any, as is then the principal securities exchange or automated quotation system on which the Common Stock is then listed.

8. Fully cooperate with the Transfer Agent, Investor and its brokers to facilitate the timely clearing and delivery of Conversion Shares to be sold pursuant to the Registration Statement free of any restrictive legends and in such denominations and registered in such names as Investor may reasonably request, including timely completion and delivery of all forms, documents and instruments requested by the Transfer Agent or any broker.

VI. General Provisions.

A. Notice. Unless a different time of day or method of delivery is specifically provided in the Transaction Documents, any and all notices or other communications or deliveries required or permitted to be provided hereunder will be in writing and will be deemed given and effective on the earliest of: (a) the date of transmission, if such notice or communication is delivered via facsimile or electronic mail prior to 5:00 p.m. Eastern time on a Trading Day and an electronic confirmation of delivery is received by the sender, (b) the next Trading Day after the date of transmission, if such notice or communication is delivered later than 5:00 p.m. Eastern time or on a day that is not a Trading Day, (c) the next Trading Day following the date of mailing, if sent by U.S. nationally recognized overnight courier service, or (d) upon actual receipt by the party to whom such notice is required to be given. No waiver of any default with respect to any provision, condition or requirement of this

Agreement will be deemed to be a continuing waiver in the future or a waiver of any subsequent default or a waiver of any other provision, condition or requirement hereof, nor will any delay or omission of either party to exercise any right hereunder in any manner impair the exercise of any such right.

C. No Third-Party Beneficiaries. Except as otherwise set forth in **Section IV.G**, this Agreement and the Transaction Documents will inure solely to the benefit of the parties hereto, and is not for the benefit of, nor may any provision hereof be enforced by, any other Person. A Person who is not a party to this Agreement shall not have any rights under the Contracts (Rights of Third Parties) Law, 2014 of the Cayman Islands to enforce any term of this Agreement or any Transaction Document.

D. Fees and Expenses. Company has paid a flat rate documentation fee to Investor's counsel incurred in connection with drafting this Agreement and the other Transaction Documents. Except as otherwise provided in this Agreement, each party will pay the fees and expenses of its own advisers, counsel, accountants and other experts, if any, and all other expenses incurred by such party incident to the negotiation, preparation, execution, delivery and performance of the Transaction Documents. Company acknowledges and agrees that Investor's counsel solely represents Investor, and does not represent Company or its interests in connection with the Transaction Documents or the transactions contemplated thereby. Company will pay all stamp and other taxes and duties, if any, levied in connection with the sale or issuance of the Shares to Investor.

E. Severability. If any provision of this Agreement is held to be invalid or unenforceable in any respect, the validity and enforceability of the remaining terms and provisions of this Agreement will not in any way be affected or impaired thereby and the parties will attempt to agree upon a valid and enforceable provision that is a reasonable substitute therefor, and upon so agreeing, will incorporate such substitute provision in this Agreement.

F. Replacement of Certificates. If any certificate or instrument evidencing any Shares is mutilated, lost, stolen or destroyed, Company will issue or cause to be issued in exchange and substitution for and upon cancellation thereof, or in lieu of and substitution therefor, a new certificate or instrument, but only upon receipt of evidence reasonably satisfactory to Company of such loss, theft or destruction and customary and reasonable indemnity, if requested. The applicants for a new certificate or instrument under such circumstances will also pay any reasonable third-party costs associated with the issuance of such replacement certificates.

G. Governing Law. All matters between the parties, including without limitation questions concerning the construction, validity, enforcement and interpretation of the Transaction Documents will be governed by and construed and enforced in accordance with the laws of the Cayman Islands, without regard to the principles of conflicts of law that would require or permit the application of the laws of any other jurisdiction, except for corporation law matters applicable to Company which will be governed by the corporate law of its jurisdiction of formation. The parties hereby waive all rights to a trial by jury. In any action, arbitration or proceeding, including appeal, arising out of or relating to any of the Transaction Documents or otherwise involving the parties, the prevailing party will be awarded its reasonable attorneys' fees and other costs and

H. Arbitration. Any dispute, controversy, claim or action of any kind arising out of, relating to, or in connection with this Agreement, or in any way involving Company and Investor or their respective Affiliates, including any issues of arbitrability, will be resolved solely by final and binding arbitration in English before a retired judge at JAMS International, or its successor, in the Territory of the Virgin Islands, pursuant to the most expedited and Streamlined Arbitration Rules and Procedures available. Any interim or final award may be entered and enforced by any court of competent jurisdiction. The final award will include the prevailing party's reasonable arbitration, expert witness and attorney fees, costs and expenses.

I. Remedies. In addition to being entitled to exercise all rights provided herein or granted by law, including recovery of damages, each of Investor and Company will be entitled to specific performance under the Transaction Documents, and equitable and injunctive relief to prevent any actual or threatened breach under the Transaction Documents, to the full extent permitted under applicable laws.

J. Payment Set Aside. To the extent that Company makes a payment or payments to Investor pursuant to any Transaction Document or Investor enforces or exercises its rights thereunder, and such payment or payments or the proceeds of such enforcement or exercise or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside, recovered from, disgorged by or are required to be refunded, repaid or otherwise restored to Company, a trustee, receiver or any other person under any law, including, without limitation, any bankruptcy law, state or federal law, common law or equitable cause of action, then to the extent of any such restoration the obligation or part thereof originally intended to be satisfied will be revived and continued in full force and effect as if such payment had not been made or such enforcement or setoff had not occurred.

K. Headings. The headings herein are for convenience only, do not constitute a part of this Agreement and will not be deemed to limit or affect any of the provisions hereof

L. Time of the Essence. Time is of the essence with respect to all provisions of this Agreement.

M. Survival. The representations and warranties contained herein will survive the Closing and the delivery of the Shares until all Preferred Shares issued to Investor have been converted or redeemed. Neither party will be under any obligation to update or supplement any of its representations or warranties following the Closing due to a change that occurred after the Closing.

N. Construction. The parties agree that each of them and/or their respective counsel has reviewed and had an opportunity to revise the Transaction Documents and, therefore, the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party will not be employed in the interpretation of the Transaction Documents or any amendments hereto. The language used in this Agreement will be deemed to be the language chosen by the

parties to express their mutual intent, and no rules of strict construction will be applied against any party. All currency references in any Transaction Document are to U.S. dollars.

O. Execution. This Agreement may be executed in two or more counterparts, all of which when taken together will be considered one and the same agreement and will become effective when counterparts have been signed by each party and delivered to the other party, it being understood that both parties need not sign the same counterpart. In the event that any signature is delivered by portable document format, facsimile or electronic transmission, such signature will create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such signature page were an original thereof.

P. Entire Agreement. This Agreement, including the Exhibits hereto, which are hereby incorporated herein by reference, contains the entire agreement and understanding of the parties, and supersedes all prior and contemporaneous agreements, term sheets, letters, discussions, communications and understandings, both oral and written, which the parties acknowledge have been merged into this Agreement. No party, representative, advisor, attorney or agent has relied upon any collateral contract, agreement, assurance, promise, understanding, statement or representation not expressly set forth herein. The parties hereby absolutely, unconditionally and irrevocably waive all rights and remedies, at law and in equity, directly or

WHEREAS, the Board of Directors of the Corporation is authorized to fix the dividend rights, dividend rate, powers, voting rights, conversion rights, rights and terms of redemption and liquidation preferences of any wholly unissued series of Preferred Stock and the number of shares constituting any Series and the designation thereof, of any of them;

WHEREAS, it is the desire of the Board of Directors of the Corporation, pursuant to its authority as aforesaid and as set forth in this Certificate of Designations of Preferences, Powers, Rights and Limitations of Series A Preferred Stock, to designate the rights, preferences, restrictions and other matters relating to the Series A Preferred Stock, which will consist of up to 2,000 shares of the Preferred Stock which the Corporation has the authority to issue, as follows:

NOW, THEREFORE, BE IT RESOLVED, that the Board of Directors does hereby provide for the issuance of a series of Preferred Stock for cash or exchange of other securities, rights or property and does hereby fix and determine the powers, rights, preferences, restrictions and other matters relating to such series of Preferred Stock as follows:

I. Terms of Preferred Stock.

A. Designation and Amount. A series of Preferred Stock is hereby designated as the Corporation’s Series A Preferred Stock, par value of \$0.00001 per share (the “**Series A Preferred**

Stock”), the number of shares of which so designated are 2,000 shares of Series A Preferred Stock; which Series A Preferred Stock will not be subject to increase without any consent of the holders of the Series A Preferred Stock (each a “**Holder**” and collectively, the “**Holders**”) that may be required by applicable law.

B. Ranking and Voting.

1. Ranking. Without the prior written consent of the Holders of a majority of the outstanding shares of Series A Preferred Stock (voting separately as a single class), the Corporation may not issue any additional shares of Series A Preferred Stock, or any other Preferred Stock that is pari passu or senior to the Series A Preferred Stock with respect to any rights for a period of 6 months after the earlier of such date (i) a registration statement is effective and available for the resale of all Conversion Shares, or (ii) Securities Act Rule 144 is available for the immediate unrestricted resale of all Conversion Shares.

2. Voting. Except as required by applicable law or as set forth herein, the holders of shares of Series A Preferred Stock will have no right to vote on any matters, questions or proceedings of this Corporation including, without limitation, the election of directors.

C. Dividends.

1. Commencing on the date of the issuance of any such shares of Series A Preferred Stock (each respectively an “**Issuance Date**”), each outstanding share of Series A Preferred Stock will accrue cumulative dividends (“**Dividends**”), at a rate equal to 8.5% per annum, subject to adjustment as provided in this Certificate of Designations (“**Dividend Rate**”), of the Face Value. Dividends will be payable with respect to any shares of Series A Preferred Stock upon any of the following: (a) upon redemption of such shares in accordance with **Section I.F**; (b) upon conversion of such shares in accordance with **Section I.G**; and (c) when, as and if otherwise declared by the board of directors of the Corporation.

2. Dividends, as well as any applicable Conversion Premium payable hereunder, will be paid: (a) in the Corporation’s sole and absolute discretion, immediately in cash; or (b) if Corporation notifies Holder it will not pay all or any portion in cash, or to the extent cash is not paid and received as soon as practicable, and in any event within 3 Trading Days after the Notice Date for any reason whatsoever, in shares of Common Stock valued at (i) if there is no Trigger Event, (A) 90.0% of the average of the 5 lowest individual daily volume weighted average prices during the applicable Measurement Period, which may be non-consecutive, less \$0.05 per share of Common Stock, not to exceed (B) 100% of the lowest sales price on the last day of such Measurement Period less \$0.05 per share of Common Stock (ii) following any Trigger Event, (A) 80.0% of the lowest daily volume weighted average price during any Measurement Period for any conversion by Holder, less \$0.05 per share of Common Stock, not to exceed (B) 80.0% of the lowest sales price on the last day of any Measurement Period, less \$0.05 per share of Common

Stock. In no event will the value of Common Stock pursuant to the foregoing be below \$0.00001 per share. All amounts that are required or permitted to be paid in cash pursuant to this Certificate of Designations will be paid by wire transfer of immediately available funds to an account designated by Holder.

3. So long as any shares of Series A Preferred Stock are outstanding, the Company will not repurchase shares of Common Stock other than as payment of the exercise or conversion price of a convertible security or payment of withholding tax, and no dividends or other distributions will be paid, declared or set apart with respect to any Common Stock, except for Purchase Rights.

D. Protective Provision.

1. So long as any shares of Series A Preferred Stock are outstanding, the Corporation will not, without the affirmative approval of the Holders of a majority of the shares of the Series A Preferred Stock then outstanding (voting separately as one class), (i) alter or change adversely the powers, preferences or rights given to the Series A Preferred Stock or alter or amend this Certificate of Designations, (ii) authorize or create any class of stock ranking as to distribution of dividends senior to the Series A Preferred Stock, (iii) amend its certificate of incorporation or other charter documents in breach of any of the provisions hereof, (iv) increase the authorized number of shares of Series A Preferred Stock or (v) enter into any agreement with respect to the foregoing.

2. A “**Deemed Liquidation Event**” will mean: (a) a merger or consolidation in which the Corporation is a constituent party or a subsidiary of the Corporation is a constituent party and the Corporation issues shares of its capital stock pursuant to such merger or consolidation, except any such merger or consolidation involving a subsidiary in which the shares of capital stock of the Corporation outstanding immediately prior to such merger or consolidation continue to represent, or are converted into or exchanged for shares of capital stock that represent, immediately following such merger or consolidation, at least a majority, by voting power, of the capital stock of the surviving or resulting corporation or if the surviving or resulting corporation is a wholly owned subsidiary of another corporation immediately following such merger or consolidation, the parent corporation of such surviving or resulting corporation; or (b) the sale, lease, transfer, exclusive license or other disposition, in a single transaction or series of related transactions, by the Corporation or any subsidiary of the Corporation of all or substantially all the assets of the Corporation and its subsidiaries taken as a whole, or the sale or disposition (whether by merger or otherwise) of one or more subsidiaries of the Corporation if substantially all of the assets of the Corporation and its subsidiaries taken as a whole are held by such subsidiary or subsidiaries, except where such sale, lease, transfer, exclusive license or other disposition is to a wholly owned subsidiary of the Corporation.

3. The Corporation will not have the power to effect a Deemed Liquidation Event unless the agreement or plan of merger or consolidation for such transaction provides that the consideration payable to the stockholders of the Corporation will be allocated among the holders of capital stock of the Corporation in accordance with **Section I.E.**

E. Liquidation.

1. Upon any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, after payment or provision for payment of debts and other liabilities of the Corporation, pari passu with any distribution or payment made to the holders of Preferred Stock and Common Stock by reason of their ownership thereof, the Holders of Series A Preferred Stock will be entitled to be paid out of the assets of the Corporation available for distribution to its stockholders an amount with respect to each share of Series A Preferred Stock equal to \$10,000.00 (“**Face Value**”), plus an amount equal to any accrued but unpaid Dividends thereon (collectively with the Face Value, the “**Liquidation Value**”). If, upon any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, the amounts payable with respect to the shares of Series A Preferred Stock are not paid in full, the holders of shares of Series A Preferred Stock will share equally and ratably with the holders of shares of Preferred Stock and Common Stock in any distribution of assets of the Corporation in proportion to the liquidation preference and an amount equal to all accumulated and unpaid Dividends, if any, to which each such holder is entitled.

2. If, upon any liquidation, dissolution or winding up of the Corporation, the assets of the Corporation will be insufficient to make payment in full to all Holders, then such assets will be distributed among the Holders at the time outstanding, ratably in proportion to the full amounts to which they would otherwise be respectively entitled.

F. Redemption.

1. **Corporation’s Redemption Option.** On the Dividend Maturity Date, the Corporation may redeem [any or all shares of Series A Preferred Stock](#) by paying Holder in cash an amount per share equal to 100% of the Liquidation Value for the shares redeemed.

2. **Early Redemption.** Prior to the Dividend Maturity Date, provided that no Trigger Event has occurred, the Corporation will have the right at any time upon 30 Trading Days’ prior written notice, in its sole and absolute discretion, to redeem all or any portion of the shares of Series A Preferred Stock then outstanding by paying Holder in cash an amount per share of Series A Preferred Stock (the “**Early Redemption Price**”) equal to the sum of the following: (a) 100% of the Face Value, plus (b) the Conversion Premium, minus (c) any Dividends that have been paid, for each share of Series A Preferred Stock redeemed.

3. Credit Risk Adjustment.

a. The Dividend Rate will adjust downward by an amount equal to the Decreasing Spread Adjustment for each amount, if any, equal to the Adjustment Factor that the Measuring Metric rises above the Maximum Triggering Level, down to a minimum of 0.0%.

b. The Dividend Rate will adjust upward by an amount equal to the Increasing Spread Adjustment for each amount, if any, equal to the Adjustment Factor that the Measuring Metric falls below the Minimum Triggering Level, up to a maximum of 17.0%. In addition, the Dividend Rate will adjust upward by 10.0% upon the occurrence of any Trigger Event.

c. The adjusted Dividend Rate used for calculation of the Liquidation Value, Conversion Premium, Early Redemption Price or Dividend, as applicable, will be determined based upon the volume weighted average price of the Common Stock for the Trading Day prior to the Notice Date.

4. **Mandatory Redemption.** If the Corporation determines to liquidate, dissolve or wind-up its business and affairs, or effect any Deemed Liquidation Event, the Corporation will, within three Trading Days of such determination and prior to effectuating any such action, redeem the Series A Preferred Stock for cash, at the Early Redemption Price set forth in **Section I.F.2** if the event is prior to the Dividend Maturity Date, or at the Liquidation Value if the event is on or after the Dividend Maturity Date.

5. **Mechanics of Redemption.** In order to redeem any of the Holders' Series A Preferred Stock then outstanding, 30 Trading Days prior to payment the Corporation must deliver written notice to each Holder setting forth (a) the number of shares of Series A Preferred Stock that the Corporation is redeeming, (b) the applicable Dividend Rate, Liquidation Value and Early Redemption Price, and (c) the calculation of the amount paid. Upon receipt of payment in cash, each Holder will promptly submit to the Corporation such Holder's Series A Preferred Stock certificates. For the avoidance of doubt, the delivery of such a notice shall not affect Holder's rights under **Section I.G** until after receipt of cash payment by Holder.

G. Conversion.

1. **Mechanics of Conversion.**

a. One or more shares of the Series A Preferred Stock may be converted, in part or in whole, into shares of Common Stock, at any time or times after the Issuance Date, in the sole and absolute discretion of Holder or, subject to the terms and conditions hereof, the Corporation; (i) if at the option of Holder, by delivery of one or more written notices to the Corporation or its transfer agent (each, a "**Holder Conversion Notice**"), of the Holder's election to convert any or all of its Series A Preferred Stock; or (ii) if at the option of the Corporation, if the Equity Conditions are met, delivery of written notice to Holder (each, a "**Corporation Conversion Notice**" and, with the Holder Conversion Notice, each a "**Conversion Notice**"), of the Corporation's election to convert the Series A Preferred Stock. Each Conversion Notice will set forth the number of shares of Series A Preferred Stock being converted, the minimum number of Conversion Shares and the amount of Dividends and any applicable Conversion Premium due as of the date of the Conversion Notice (the "**Notice Date**"), and the calculation thereof.

b. If the Corporation notifies Holder by 10:00 a.m. Eastern time the Trading Day after the Notice Date that it is paying all or any portion of Dividends or Conversion Premium for the shares in the Conversion Notice in cash, and actually pays in cash no later than close of the 3rd Trading Day after the Notice Date, time being of the essence, the amount of Dividends and Conversion Premium due as of the Notice Date, no further amount will be due with respect to any such Dividends and Conversion Premium.

c. As soon as practicable, and in any event within 1 Trading Day of the Notice Date, time being of the essence, the Corporation will do all of the following: (i) transmit

the Delivery Notice by facsimile or electronic mail to the Holder, and to the Corporation's transfer agent (the "**Transfer Agent**") with instructions to comply with the Delivery Notice; (ii) either (A) if the Corporation is approved through The Depository Trust Corporation ("**DTC**"), authorize and instruct the credit by the Transfer Agent of such aggregate number of Conversion Shares to which Holder is then entitled, as set forth in the Delivery Notice, to Holder's or its designee's balance account with the DTC Fast Automated Securities Transfer (FAST) Program, through its Deposit/Withdrawal at Custodian (DWAC) system, or (B) only if the Corporation is not approved through DTC, issue and surrender to a common carrier for overnight delivery to the address as specified in the Delivery Notice a certificate bearing no restrictive legend, registered in the name of Holder or its designee, for the number of Conversion Shares to which Holder is then entitled, as set forth in the Delivery Notice; and (iii) at all times thereafter diligently take or cause to be taken all actions reasonably necessary to cause the Conversion Shares to be issued as soon as practicable.

d. If during the Measurement Period the Holder is entitled to receive additional Conversion Shares with regard to a Conversion Notice, Holder may at any time deliver one or more additional written notices to the Corporation or its transfer agent (each, an "**Additional Notice**" and with the Conversion Notice, each a "**Delivery Notice**") setting forth the additional number of Conversion Shares to be delivered, and the calculation thereof.

e. If the Corporation for any reason does not issue or cause to be issued to the Holder within 3 Trading Days after the date of a Delivery Notice, the number of Conversion Shares to which the Holder is entitled as stated in the Delivery Notice, then, in addition to all other remedies available to the Holder, as liquidated damages and not as a penalty, the Corporation will pay in cash to the Holder on each day after such 3rd Trading Day that the issuance of such Conversion Shares is not timely effected an amount equal to 2% of the product of (i) the aggregate number of Conversion Shares not issued to the Holder on a timely basis and to which the Holder is entitled and (ii) the highest Closing Price of the Common Stock between the date on which the Corporation should have issued such shares to the Holder and the actual date of receipt of Conversion Shares by Holder. It is intended that the foregoing will serve to reasonably compensate Holder for any delay in delivery of Conversion Shares, and not as punishment for any breach by the Corporation. The Corporation acknowledges that the actual damages likely to result from delay in delivery are difficult to estimate and would be difficult for Holder to prove.

f. Notwithstanding any other provision: all of the requirements of **Section I.F** and this **Section I.G** are each independent covenants; the Corporation's obligations to issue and deliver Conversion Shares upon any Conversion Notice are absolute, unconditional and irrevocable; any breach or alleged breach of any representation or agreement, or any violation or alleged violation of any law or regulation, by any party or any other person will not excuse full and timely performance of any of the Corporation's obligations under these sections; and under no circumstances may the Corporation seek or obtain any temporary, interim or preliminary injunctive or equitable relief to prevent or interfere with any issuance of Conversion Shares to Holder.

g. No fractional shares of Common Stock are to be issued upon conversion of Series A Preferred Stock, but rather the Corporation will issue to Holder scrip or warrants registered on the books of the Corporation (certificated or uncertificated) which will entitle Holder to receive a full share upon the surrender of such scrip or warrants aggregating a full

share. The Holder will not be required to deliver the original certificates for the Series A Preferred Stock in order to effect a conversion hereunder. The Corporation will pay any and all taxes which may be payable with respect to the issuance and delivery of any Conversion Shares.

2. Holder Conversion. In the event of a conversion of any Series A Preferred Stock pursuant to a Holder Conversion Notice, the Corporation will (a) satisfy the payment of Dividends and Conversion Premium as provided in **Section I.C.2**, and (b) issue to the Holder of such Series A Preferred Stock a number of Conversion Shares equal to (i) the Face Value multiplied by (ii) the number of such Series A Preferred Stock subject to the Holder Conversion Notice divided by (iii) the applicable Conversion Price with respect to such Series A Preferred Stock; all in accordance with the procedures set forth in **Section I.G.1**.

3. Corporation Conversion. The Corporation will have the right to send the Holder a Corporation Conversion Notice at any time in its sole and absolute discretion, if the Equity Conditions are met as of the time such Corporation Conversion Notice is given. Upon any conversion of any Series A Preferred Stock pursuant to a Corporation Conversion Notice, the Corporation will on the date of such notice (a) satisfy the payment of Dividends and Conversion Premium as provided in **Section I.C.2**, and (b) issue to the Holder of such Series A Preferred Stock a number of Conversion Shares equal to (i) the Face Value multiplied by (ii) the number of such Series A Preferred Stock subject to the Holder Conversion Notice divided by (iii) the applicable Conversion Price with respect to such Series A Preferred Stock; all in accordance with the procedures set forth in **Section I.G.1**.

4. Stock Splits. If the Corporation at any time on or after the filing of this Certificate of Designations subdivides (by any stock split, stock dividend, recapitalization or otherwise) one or more classes of its outstanding shares of Common Stock into a greater number of shares, the applicable Conversion Price, Adjustment Factor, Maximum Triggering Level, Minimum Triggering Level, and other share based metrics in effect immediately prior to such subdivision will be proportionately reduced and the number of shares of Common Stock issuable will be proportionately increased. If the Corporation at any time on or after such Issuance Date combines (by combination, reverse stock split or otherwise) one or more classes of its outstanding shares of Common Stock into a smaller number of shares, the applicable Conversion Price, Adjustment Factor, Maximum Triggering Level, Minimum Triggering Level, and other share based metrics in effect immediately prior to such combination will be proportionately increased and the number of Conversion Shares will be proportionately decreased. Any adjustment under this Section will become effective at the close of business on the date the subdivision or combination becomes effective.

5. Rights. In addition to any adjustments pursuant to **Section I.G.4**, if at any time the Corporation grants, issues or sells any options, convertible securities or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any class of shares of Common Stock (the "**Purchase Rights**"), then Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which Holder could have acquired if Holder had held the number of shares of Common Stock acquirable upon conversion of all Preferred Stock held by Holder immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of

which the record holders of shares of Common Stock are to be determined for the grant, issue or sale of such Purchase Rights.

Company hereby confirms that the Shares should not be subject to any stop-transfer restrictions and will otherwise be freely transferable on the books and records of Company, and if the Shares are certificated, the certificates will not bear any legend restricting transfer of the Shares represented thereby, if a legal opinion is provided as set forth in the preceding paragraph.

Company hereby confirms that no instructions other than as contemplated herein will or may be given to you by Company with respect to the Shares. Company may not instruct you to disregard any reserve or Delivery Notice and you may not do so. You are to comply promptly with any Delivery Notice or share reservation notice received from Investor, notwithstanding any contrary instructions from Company.

You may not disclose any information, deliver any documents, or transfer any files to any successor transfer agent until after Investor acknowledges in writing that a suitable successor transfer agent has agreed in writing to be bound by the terms and conditions of these instructions.

Company must keep its bill current with you. If Company is not current and is on suspension, Investor will have the right to pay Company's outstanding bill, in order for you to act upon these instructions. If the outstanding bill is not paid by Company or Investor, you have no obligation to act under instructions until your bill is paid.

Company and you hereby acknowledge and confirm that complying with the terms of these instructions does not and will not prohibit you from satisfying any and all fiduciary responsibilities and duties you may owe to Company.

Company will indemnify you and your officers, directors, principals, partners, advisors, attorneys, agents and representatives, and hold each of them harmless from and against any and all loss, liability, damage, claim or expense (including the reasonable fees and disbursements of attorneys) incurred by or asserted against you or any of them arising out of or in connection with the instructions set forth herein, the performance of your duties hereunder and otherwise in respect hereof, including the costs and expenses of defending yourself or themselves against any claim or liability hereunder, except that Company will not be liable hereunder as to amounts in respect of which it is finally determined by a court of competent jurisdiction to be due solely to your fraud, willful misconduct or gross negligence. You will be entitled to indemnity and will have no liability to Company in respect of any action taken or omitted to be taken in good faith, and you will be absolutely entitled to rely in this regard on the advice of your counsel, including in-house counsel.

Accordingly, you shall have no duty or obligation to confirm the accuracy of any calculations or information set forth in any Delivery Notice submitted by the Investor.

Investor is intended to be and is a third party beneficiary hereof, and no amendment or modification to the instructions set forth herein may be made without the prior written consent of Investor. The above instructions cannot be revoked, cancelled or modified without prior written approval of Investor.

The Board of Directors of Company has approved the foregoing irrevocable instructions and does hereby extend Company's irrevocable agreement to indemnify your firm for all loss, liability or expense in carrying out the authority and direction herein contained on the terms herein set forth.
